

This exploded view diagram illustrates the components of a 4-stroke engine assembly. The parts are arranged in a descending sequence from top-left to bottom-right, showing the relationship between the cylinder head, piston, connecting rod, and crankshaft. The components include:

- Cylinder Head:** Shown in four orientations (top-left, middle-left, bottom-left, bottom-right).
- Piston and Ring Assembly:** Shown in four orientations (top-left, middle-left, bottom-left, bottom-right).
- Connecting Rod:** Shown in four orientations (top-left, middle-left, bottom-left, bottom-right).
- Crankshaft:** Shown in four orientations (top-left, middle-left, bottom-left, bottom-right).
- Gaskets and Seals:** Various circular gaskets and seals are shown in multiple orientations, including a large circular gasket at the top-left and a small circular gasket at the bottom-right.
- Bolts and Screws:** Various bolts and screws are shown in multiple orientations, including a large bolt at the top-left and a small bolt at the bottom-right.
